Special 1953 Moose Season

APPLICATION INSTRUCTIONS: All applications postmarked before 12 o'clock midnight August 8, 1953, will be accepted. Application is to be made only on forms made available by the Montana Fish and Game Department, either through license dealer agents or direct from the State Game Warden, Helena, Montana. Non-resident applicants are requested not to use the application form for residents. Non-resident application forms will be available upon request. All applicants must have a valid big game license and their application must be accompanied by the $25.00 moose fee. Personal checks will not be accepted. Drawing will be held in Helena on August 18, 1953, beginning at 9:00 a.m. See further information on reverse side of application form.

1. **BEAVERHEAD AND DEER LODGE COUNTIES, Big Hole Area:** That portion of these counties lying within the Big Hole River drainage above Ralston, exclusive of National Forest Lands, shall be open to the hunting of twenty-five (25) mature moose of either sex by special permit holders only from October 15 through December 31, 1953.

2. **BEAVERHEAD COUNTY, Red Rock Area:** That portion of Beaverhead County lying in the Red Rock drainage above Lima Dam shall be open to the hunting of twenty (20) mature moose of either sex by special permit holders only from October 15 through November 15, 1953.

3. **BEAVERHEAD COUNTY, Grasshopper-Rattlesnake Area:** That portion of Beaverhead County lying within the Grasshopper and Rattlesnake Creek drainages shall be open to hunting of seven (7) mature moose of either sex by special permit holders only from October 15 through November 15, 1953.

4. **MADISON AND GALLATIN COUNTIES, Lower Madison-Spanish Creek Area:** That portion of the Madison River drainage between Jack Creek and Cherry Creek (both drainages included) and the Spanish Creek drainage (this drainage lying within Madison and Gallatin Counties), shall be open to the hunting of ten (10) mature bull moose by special permit holders only, from October 15 through November 15, 1953.

5. **GALLATIN COUNTY, Hebgen Lake Area:** That portion of Gallatin County lying within the Madison River drainage shall be open to the hunting of five (5) mature moose of either sex by special permit holders only from October 15 through November 15, 1953.

6. **MADISON COUNTY, West Fork of the Madison Area:** That portion of Madison County lying west of the Madison River between and including the West Fork and Standard Creek drainages shall be open to the hunting of five (5) mature moose of either sex by special permit holders only from October 15 through November 15, 1953.

7. **MADISON AND BEAVERHEAD COUNTIES, Ruby River Area:** That portion of these Counties lying within the Ruby River drainage above and including the drainage of Greenhorn and Ledford Creeks shall be open to the hunting of ten (10) mature moose of either sex by special permit holders only from October 15 through November 15, 1953.

8. **PARK COUNTY, Hellroaring Area:** That portion of Park County lying within the drainage of Hellroaring, Cottonwood and Little Cottonwood Creeks, shall be open to the hunting of three (3) mature bull moose by special permit holders only from September 15 through November 15, 1953.

9. **PARK COUNTY, Buffalo Fork Area:** That portion of Park County lying within the drainage of Buffalo Fork Creek shall be open to the hunting of three (3) mature bull moose by special permit holders only from September 15 through November 15, 1953.

10. **PARK AND SWEET GRASS COUNTIES, Slough Creek Area:** That portion of these counties lying within the drainage of Slough Creek shall be open to the hunting of three (3) mature bull moose by special permit holders only from September 15 through November 15, 1953.

11. **PARK COUNTY, Cooke City Area:** That portion of Park County beginning where the Stillwater County line intersects the Slough Creek drainage, thence extending east along said county line to Carbon County, thence along the line between Carbon and Park Counties to the State line, thence west along the State line to its intersection with Yellowstone National Park at Silver Gate, thence following the Park boundary in a northerly and westerly direction to the drainage area of Slough Creek, thence north along the Stillwater-Slough Creek divide to the point of beginning, shall be open to the hunting of three (3) mature bull moose by special permit holders only from September 15 through November 15, 1953.

12. **CARBON COUNTY, Beartooth Plateau Area:** That portion of Carbon County lying within the Gallatin National Forest boundary (south of Granite Peak), shall be open to the hunting of three (3) mature bull moose by special permit holders only, from September 15 through November 15, 1953.

13. **GALLATIN AND MADISON COUNTIES, West Gallatin River Area:** That portion of these Counties lying within the West Gallatin River drainage above Sheep Rock shall be open to the hunting of five (5) mature bull moose by special permit holders only from October 15 through November 15, 1953.

14. **PARK AND GALLATIN COUNTIES, Yellowstone River Area:** That portion of these Counties lying within the Yellowstone River drainage above Livingston, excluding the Hellroaring-Cottonwood-Little Cottonwood, Buffalo Fork and Slough Creek areas, shall be open to the hunting of five (5) mature bull moose by special permit holders only from October 15 through November 15, 1953.

15. **STILLWATER AND SWEET GRASS COUNTIES, West Rosebud and Stillwater River Area:** That portion of these Counties lying within the Stillwater and West Rosebud River drainages, shall be open to the hunting of five (5) mature bull moose by special permit holders only from October 15 through November 15, 1953.

16. **GRANITE, DEER LODGE AND POWELL COUNTIES, Flint Creek Range Area:** That portion of these counties known as the Flint Creek Range, which lies between U. S. Highway No. 10 and No. 10A, shall be open to the hunting of ten (10) mature bull moose by special permit holders only from November 1 through December 15, 1953.

17. **RAVALLI COUNTY:** That portion of Ravalli County lying south of Roaring Lion Creek and on the west side of the Bitterroot River and including the drainage of the West Fork of the Bitterroot River, shall be open to the hunting of ten (10) mature bull moose by special permit holders only from October 15 through November 15, 1953.

18. **RAVALLI COUNTY:** That portion of Ravalli County lying south of Skalkaho Creek and on the east side of the Bitterroot River and including the East Fork of the Bitterroot River, shall be open to the hunting of ten (10) mature bull moose by special permit holders only, from October 15 through November 15, 1953.

Special 1953 Buffalo Season

APPLICATION INSTRUCTIONS: All applications postmarked before 12 o'clock midnight August 8, 1953, will be accepted.
